Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Alamo Public Safety Building/Court project in fiscal year 2025. The entity to receive funding for this project is the City of Alamo. The funding would be used for pursuing the construction of a new Public Safety Building/Court to meet the growing demands of public safety standards, staff, and the city's ongoing development. Led by the Alamo Police Department, this capital project not only aims to fulfill the current and future needs of the police department, but also intends to serve as a regional detention center to support neighboring cities with their detention holding challenges.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Monica De La Cruz
