Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Proposed Generator Improvements Project in fiscal year 2025. The entity to receive funding for this project is the City of George West, located at 406 Nueces St, George West, TX 78022. The funding would be used to provide backup power to the City's main water supply and wastewater treatment plant for emergency purposes. The project is an appropriate use of taxpayer funds because of the benefit it will have on the City of George West, Live Oak County Courthouse, George West Independent School District, Live Oak Nursing Home and the wider community.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Monica De La Cruz
Member of Congress
15th District of Texas
